Monday, June 12 MS Wax Museum; Celebration of Learning  
Tuesday, June 13 Kindergarten Padilla Bay; 8<sup>th</sup> Grade Moving Up Ceremony  
Wednesday, June 14 Last Day of School Early Release

## State Testing

We are wrapping up state testing this week. Most students worked diligently on the assessments. We will receive results in the fall and will share them with you. Remember that this is only one of the assessments we use to monitor student growth. Students in grades K-5 will also be assessed on their fluency this spring. MAP and STAR testing for reading and math will also be given to complete our school assessments. Those results will be available at the end of the year.

## 2017-2018 Planning

If you have not registered your child for kindergarten for the 2017-2018 school year, please stop by the office and fill out the registration forms. If you know of other children in our community who will be attending in the fall, please give them this information.

As we plan for the next school year, accurate student count is important. Please let us know if you are moving and your child(ren) will not be attending school here next year.

Check out Sno-Isle Library's Event Calendar

They have many great activities planned for our children over summer break!

## Dress Code Reminders

Please remember that appropriate clothing is expected for school. Shorts and skirts need to be mid-thigh, and shirts need to have wide straps.

We ask that students not wear flip flops, or opened toe shoes, as they are unsafe on the playground which can result in splinters and stubbed toes.
