## Prepared for Weather

As our students engage in Trail Tuesdays, Forest Fridays and STEM Wednesdays, we want to remind you to please send students to school prepared for the weather. A little rain will not stop us from going out and learning in our outside classrooms.

We also use the covered play area on rainy days for recess, so please send students prepared to be outside.

## Paperwork

We know we send a lot of forms home at the beginning of the year, but it is necessary to make sure we have proper information for your child(ren)'s care. Please make sure you have completed all forms and have returned them to the school. Also, please make sure we have current/working telephone numbers for you and your child's emergency contacts. Thanks!

Thank you to everyone who attended our Family Night and Title I Schoolwide Meeting last week. We appreciate your continued support. We will have another Family Night the week of Dec. 12<sup>th</sup>. Please stay tuned for more details.
